Neither the District nor Rathmann & Associates, L.P. shall be responsible for any malfunction or mistake made by, or as a result of, the use of the facilities of PARITY, the use of such facilities being at the sole risk of the prospective bidder.

AWARD AND SALE OF THE BONDS: The Board will take action to reject the bids or accept the bid that produces the lowest net effective interest rate for the Bonds at a meeting to be held at the offices of Schwartz, Page & Harding, L.L.P., 1300 Post Oak Boulevard, Suite 1400, Houston, Texas 77056, at 12:00 Noon, Houston Time, Tuesday, November 12, 2013. THE BONDS

DESCRIPTION OF CERTAIN TERMS OF THE BONDS: The Bonds will be dated December 1, 2013, with interest payable on September 1, 2014 (nine-month interest payment), and on each March 1 and September 1 thereafter until the earlier of maturity or prior redemption. The definitive Bonds will be initially registered in the name of and delivered only to Cede & Co., nominee of The Depository Trust Company (“DTC”) in New York, New York pursuant to the Book-Entry-Only System described herein. Beneficial ownership of the Bonds may be acquired in denominations of \$5,000 or integral multiples thereof. No physical delivery of the Bonds will be made to the owners thereof. So long as Cede & Co. is the registered owner of the Bonds, principal of and interest on the Bonds will be paid by The Bank of New York Mellon Trust Company, N.A., in Dallas, Texas, the paying agent/registrars (hereinafter sometimes called the “Paying Agent,” the “Paying Agent/Registrar,” or the “Registrar”) to Cede & Co., which will make distribution of the amounts so paid to the participating members of DTC for subsequent payment to the beneficial owners of the Bonds. The Bonds will mature serially on September 1 in the following years and amounts:

<u>Maturity</u>	<u>Principal Amount</u>	<u>Maturity</u>	<u>Principal Amount</u>
2014*	\$10,000	2027*	\$ 50,000

2025*	50,000	2038*	1,600,000
2026*	50,000	2039*	1,700,000

* At the option of the Underwriter (hereinafter defined) as specified in the Official Bid Form, any or all of such maturities may be designated as term bonds subject to mandatory sinking fund redemption provided that the mandatory sinking fund amount in each year shall equal the amounts shown above as maturing in such year.

The Bonds maturing on and after September 1, 2021, are subject to redemption and payment, at the option of the District, in whole or in part, on September 1, 2020, or on any date thereafter, at a price equal to the principal amount thereof, plus accrued interest thereon to the date fixed for redemption. If fewer than all the Bonds are redeemed at any time, the District shall determine the maturity or maturities and the amounts thereof to be redeemed, in integral multiples of \$5,000 in principal amount, and if fewer than all of the Bonds within a maturity are to be redeemed, the Bonds within such maturity to be redeemed shall be selected by DTC in accordance with its procedures while the Bonds are in book-entry-only form.

SECURITY FOR PAYMENT: The Bonds, when issued, will constitute valid and binding obligations of the District, payable as to principal and interest from the proceeds of an annual ad valorem tax, without legal limitation as to rate or amount, levied against all taxable property within the District. See “THE BONDS - Source and Security for Payment” in the Preliminary Official Statement.

MUNICIPAL BOND GUARANTY INSURANCE AND RATING: Applications have been made to Assured Guaranty Corp. (“AGC”), Assured Guaranty Municipal Corp. (“AGM”), Build America Mutual Assurance Company (“BAM”) and Municipal Assurance Corp. (“MAC”) to issue a commitment for municipal bond guaranty insurance on the Bonds. The purchase of such insurance, if available, and payment of all associated costs, including the premium charged by the insurer, and fees charged by any rating companies other than Standard & Poor’s Rating Services (“Standard & Poor’s”), a Standard & Poor’s Financial Services LLC business, will be at the option and expense of the Underwriter. The Underwriter understands, by submission of its bid, that the Underwriter is solely responsible for the selection of any insurer and for all negotiations with (i) the insurer as to the premium to be paid, and (ii) the insurer and any and all rating companies as to selection of such rating companies, the ratings to be assigned the Bonds as a consequence of the issuance of the municipal bond guaranty insurance policy, and the payment of fees in connection with such ratings except the Standard & Poor’s rating fees as described below. Standard & Poor’s has assigned an underlying rating of “BBB” (stable outlook) to the District’s credit. If the Underwriter chooses to purchase municipal bond guaranty insurance on the Bonds, separate rating(s), including a rating by Standard & Poor’s, may at the election of the Underwriter be assigned the Bonds based upon the understanding that upon delivery of the Bonds a guaranty insurance policy insuring the timely payment of the principal of and interest on the Bonds will be issued by the insurer. The District will pay the cost of both the underlying rating of Standard & Poor’s and the Standard & Poor’s rating associated with the guaranty insurance policy issued relating to the Bonds, if the latter is elected to be used by the Underwriter. As is stated in this Official Notice of Sale under the caption “NO MATERIAL ADVERSE CHANGE,” if the Underwriter elects to purchase municipal guaranty insurance on the Bonds, the rating of the insurer’s creditworthiness by any rating agency does not and will not in any manner affect the District’s financial condition, and thus any change to such rating, including a downgrade thereof, at any time, does not and will not constitute a change, material or otherwise, in the District’s financial condition, and therefore cannot be a basis for termination by the Underwriter of its obligations to take up and pay for the Bonds.

OTHER TERMS AND COVENANTS: Other terms of the Bonds and the various covenants of the District contained in the Bond Order are described in the Preliminary Official Statement, to which reference is made for all purposes.

CONDITIONS OF SALE

TYPES OF BIDS AND INTEREST RATES: The Bonds will be sold in one block on an “all or none” basis at a price of not less than 97% of the principal amount thereof, plus accrued interest from the date of the Bonds to the date of delivery. Bidders are to name the rates of interest to be borne by the Bonds, provided that each interest rate bid must be a multiple of 1/8th or 1/20th of 1%. All Bonds maturing within a single year must bear the same rate of interest. The net effective interest rate on the Bonds may not exceed 6.68% as calculated pursuant to Chapter 1204, Texas Government Code, as amended. No limitation will be imposed upon bidders as to the number of rates which may be used, but the highest rate bid may not exceed the lowest rate bid by more than 2-1/2% in interest rate. No bid involving supplemental interest payments or zero interest rates will be considered. Each bid shall indicate the total and net interest costs in dollars and the net effective interest rate determined therefrom, which shall be considered informative only and not as a part of the bid.

BASIS OF AWARD: For the purpose of awarding sale of the Bonds, the interest cost of each bid will be computed by determining, at the rates specified therein, the total dollar value of all interest on the Bonds from the date thereof to their respective maturities and adding thereto the discount bid, if any, or deducting therefrom the premium bid, if any. Subject to the District's right to reject any or all bids, sale of the Bonds will be awarded to the bidder (the “Underwriter”) whose bid, under the above computation, produces the lowest net interest cost to the District. The Board reserves the right to reject any or all bids. In the event of mathematical discrepancies between the interest rate(s) bid and the interest cost determined therefrom, as both appear on the Official Bid Form, the bid will be governed solely by the interest rate(s) named.

GOOD FAITH DEPOSIT: Each bid must be accompanied by a bank cashier's check payable to the order of “Fort Bend County Municipal Utility District No. 142” in the amount of \$85,400, which is 2% of the principal amount of the Bonds (the “Good Faith Deposit”). **Only “bank cashier's checks” will be accepted; no “official bank checks” will be accepted.** The check of the Underwriter will be considered as the Good Faith Deposit and will be retained uncashed by the District pending the Underwriter's compliance with the terms of the bid. In the event the Underwriter should fail or refuse to take up and pay for the Bonds in accordance with such terms, then the Good Faith Deposit will be cashed and the proceeds accepted by the District as full and complete liquidated damages. The Good Faith Deposit may accompany the bid or it may be submitted separately; if submitted separately, it shall be made available to the District prior to the opening of the bids and shall be accompanied by instructions from the bank on which it is drawn which authorize its use as the Good Faith Deposit of bidders named in such instructions. The Good Faith Deposit of the Underwriter will be returned to the Underwriter uncashed on the date of delivery of the Bonds. No interest will be credited on the Good Faith Deposit. The checks accompanying all other bids will be returned immediately after the bids are opened and the award of the sale of the Bonds has been made.

OFFICIAL STATEMENT

To assist the Underwriter in complying with Rule 15c2-12 of the United States Securities and Exchange Commission (“SEC”), the District and the Underwriter contract and agree, by the submission and acceptance of the winning bid, as follows.

FINAL OFFICIAL STATEMENT: The District has approved and authorized distribution of the accompanying Preliminary Official Statement for dissemination to potential purchasers of the Bonds, but does not presently intend to prepare any other document or version thereof for such purpose, except as described below. Accordingly, the District intends the Preliminary Official Statement to be final as of its date, within the meaning of SEC Rule 15c2-12(b)(1), except for information relating to the offering prices, interest rates, final debt service schedule, selling compensation, identity of the Underwriter and other similar information, terms and provisions to be specified in the competitive bidding process. The Underwriter shall be responsible for promptly informing the District of the initial offering yields of the

Bonds. Thereafter, the District will complete and authorize distribution of the Official Statement identifying the Underwriter and containing such omitted information. The District does not intend to amend or supplement the Official Statement otherwise, except to take into account certain subsequent events, if any, as described below. By delivering the final Official Statement or any amendment or supplement thereto in the requested quantity to the Underwriter on or after the sale date, the District intends the same to be final as of such date, within the meaning of SEC Rule 15c2-12(f)(3). Notwithstanding the foregoing, the only representations concerning the absence of material misstatements or omissions from the Official Statement which are being or which will be made by the District are those described and contained in the Official Statement under the caption "GENERAL CONSIDERATIONS - Certification of Official Statement."

CHANGES TO OFFICIAL STATEMENT: If, subsequent to the date of the Official Statement, to and including the date the Underwriter is no longer required to provide an Official Statement to customers who request same pursuant to SEC Rule 15c2-12, the District learns, or is notified by the Underwriter, of any adverse event which causes the Official Statement to be materially misleading, and unless the Underwriter elects to terminate its obligation to purchase the Bonds, the District will promptly prepare and supply to the Underwriter an appropriate amendment or supplement to the Official Statement satisfactory to the Underwriters; provided, however, that the obligation of the District to so amend or supplement the Official Statement will terminate upon the earlier of (i) 90 days after the "end of the underwriting period" as defined in SEC Rule 15c2-12 or (ii) the date the Official Statement is filed with the MSRB, but in no case less than 25 days after the "end of the underwriting period."

DELIVERY OF OFFICIAL STATEMENTS: The District shall furnish to the Underwriter (and to each participating underwriter of the Bonds, within the meaning of SEC Rule 15c2-12(a), designated by the Underwriter), within seven (7) business days after the sale date, the aggregate number of Official Statements specified in the winning bid. The District also shall furnish to the Underwriter a like number of any supplements or amendments approved and authorized for distribution by the District for dissemination to potential purchasers of the Bonds, as well as such additional copies of the Official Statement or any such supplements or amendments as the Underwriter may reasonably request prior to the 90th day after the end of the underwriting period described in SEC Rule 15c2-12(f)(2). The District shall pay the expense of preparing the number of copies of the Official Statement specified in the winning bid and an equal number of any supplements or amendments issued on or before the delivery date, but the Underwriter shall pay for all other copies of the Official Statement or any supplement or amendment thereto.

DELIVERY OF THE BONDS AND ACCOMPANYING DOCUMENTS

DELIVERY OF INITIAL BONDS: Delivery will be accomplished by the issuance of one initial bond for each maturity (collectively called the "Initial Bonds"), either in typed or printed form, in the aggregate principal amount of \$4,270,000 payable to Cede & Co. and manually signed by the President and Secretary of the Board, approved by the Attorney General of Texas, and registered and manually signed by an authorized representative of the Comptroller of Public Accounts of the State of Texas. Unless otherwise agreed with the Underwriter, delivery of the Initial Bonds will be made at the principal corporate trust office of the Registrar in Dallas, Texas. Payment for the Initial Bonds must be made in immediately available funds for unconditional credit to the District, or as otherwise directed by the District. The Underwriter will be given five (5) business days notice of the time fixed for delivery of the Initial Bonds. It is anticipated that initial delivery can be made on or about December 12, 2013, and subject to the aforesaid notice, it is understood and agreed that the Underwriter will accept delivery of and make payment for the Initial Bonds by 10:00 A.M., Houston Time, on December 12, 2013, or thereafter on the date the Initial Bonds are tendered for delivery, up to January 13, 2014. If for any reason the District is unable to make delivery on or before January 13, 2014, then the District immediately shall contact the Underwriter and offer to allow the Underwriter to extend its offer for an additional thirty (30) calendar days. If the Underwriter does not elect to extend its offer within six (6) calendar days thereafter, then the Good Faith Deposit will be returned, and both the District and the Underwriter shall be relieved of any further obligation.

DTC DEFINITIVE BONDS: After delivery of the Initial Bonds, the Bonds will be issued in book-entry-only form. Cede & Co. is the nominee for DTC. All references herein to the Registered Owners (as defined in the Preliminary Official Statement) of the Bonds shall mean Cede & Co. and not the Beneficial Owners (as defined in the Preliminary Official Statement) of the Bonds. Purchase of beneficial interests in the Bonds will be made in book-entry-only form (without

registered Bonds) in the denomination of \$5,000 principal amount or any integral multiple thereof. Under certain limited circumstances described herein, the District may determine to forego immobilization of the Bonds at DTC, or another securities depository, in which case, such beneficial interests would become exchangeable for one or more fully registered Bonds of like principal amount for the Bonds. See “BOOK-ENTRY-ONLY SYSTEM” in the Preliminary Official Statement.

REGISTRATION AND TRANSFER: Section 149(a) of the Internal Revenue Code of 1986, as amended, requires that all tax exempt obligations (with certain exceptions that do not include the Bonds) be in registered form in order for the interest payable on such obligations to be excludable from a Registered Owner's income for federal income tax purposes. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. pursuant to the Book-Entry-Only System described herein. One fully-registered bond will be issued for each maturity of the Bonds and will be deposited with DTC. See “BOOK-ENTRY-ONLY SYSTEM” in the Preliminary Official Statement. So long as any Bonds remain outstanding, the District will maintain at least one Paying Agent/Registrar in the State of Texas for the purpose of maintaining the Register (as defined in the Preliminary Official Statement) on behalf of the District.

CUSIP NUMBERS: In the event the book-entry-only system is discontinued, it is anticipated that CUSIP identification numbers will be printed or otherwise reproduced on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the Underwriter to accept delivery of and pay for the Bonds in accordance with the terms of this Official Notice of Sale. All expenses relating to the printing of CUSIP numbers on the Bonds shall be paid for by the District; provided, however, that payment of the CUSIP Service Bureau charge for the assignment of the numbers shall be the responsibility of the Underwriter.

CONDITIONS TO DELIVERY: The Underwriter's obligation to take up and pay for the Bonds is subject to the following conditions: issuance of an approving opinion of the Attorney General of Texas; the Underwriter's receipt of the Initial Bonds, the Underwriter's receipt of the legal opinion of Bond Counsel, as described below; and the Underwriter's receipt of the no-litigation certificate and the non-occurrence of the events described below under the caption “NO MATERIAL ADVERSE CHANGE.” In addition, if the District fails to comply with its obligations described under “OFFICIAL STATEMENT” above, the Underwriter may terminate its contract to purchase the Bonds by delivering written notice to the District within five (5) business days after the Underwriter's determination of such failure.

UNDERWRITER'S CERTIFICATION OF ISSUE PRICE: In order to provide the District with information required to enable it to comply with certain conditions of the Internal Revenue Code of 1986, as amended, relating to the exclusion of interest on the Bonds from the gross income of the Bondholders, the Underwriter shall be required to complete, execute and deliver to the District (on or before the date of delivery of the Bonds) a certification as to the “issue price” of the Bonds in the form accompanying this Notice of Sale. In the event the Underwriter does not reoffer the Bonds for sale or is unable to sell a substantial amount of the Bonds of any maturity by the date of delivery, such certificate may be modified in a manner approved by the District. Each bidder, by submitting its bid, agrees to complete, execute and deliver such a certificate by the date of delivery of the Bonds, if its bid is accepted by the District. It will be the responsibility of the Underwriter to institute such syndicate reporting requirements, to make such investigation, or otherwise to ascertain the facts necessary to enable it to make such certification with reasonable certainty. Any questions concerning such certification should be directed to Bond Counsel.

LEGAL OPINIONS: The District will furnish to the Underwriter a transcript of certain certified proceedings incident to the issuance and authorization of the Bonds, including a certified copy of the approving legal opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State of Texas, to the effect that the Attorney General has examined a transcript of proceedings authorizing the issuance of the Bonds, and that based upon such examination, the Bonds are valid and binding obligations of the District payable from the proceeds of an annual ad valorem tax, levied without legal limitation as to rate or amount upon all taxable property in the District. The District will also furnish the approving legal opinion of Schwartz, Page & Harding, L.L.P., Bond Counsel, Houston, Texas, to the effect that, based upon an examination of such transcript, the Bonds are valid and binding obligations of the District under the Constitution and laws of the State of Texas, except to the extent that enforcement of the rights and remedies of the Registered Owners of the Bonds may be limited by laws relating to bankruptcy, reorganization, or other similar laws of general application affecting the rights of creditors of political subdivisions such as the District. The legal

opinion of Bond Counsel will further state that the Bonds are payable, both as to principal and interest, from the levy of ad valorem taxes without legal limitation as to rate or amount, upon all taxable property within the District, and that the interest on the Bonds is excludable from gross income for federal income tax purposes under statutes, regulations, published rulings and court decisions existing on the date of such opinion assuming compliance by the District with certain covenants relating to the use and investment of the proceeds of the Bonds. See "LEGAL MATTERS" in the Preliminary Official Statement. Such opinions express no opinion with respect to the sufficiency of the security for or marketability of the Bonds.

QUALIFIED TAX-EXEMPT OBLIGATIONS: Section 265 of the Internal Revenue Code of 1986, as amended (the "Code"), provides, in general, that interest expense incurred to acquire or carry tax-exempt obligations is not deductible from the gross income of the owner of the Bonds. For certain owners that are "financial institutions" within the meaning of such section, complete disallowance of such expense would apply to taxable years beginning after December 31, 1986, with respect to tax-exempt obligations acquired after August 7, 1986. Section 265(b) of the Code provides an exception to this rule for interest expense incurred by financial institutions to carry tax-exempt obligations (other than specified private activity bonds) which are designated by an issuer as "qualified tax-exempt obligations." An issuer may only designate an issue as an issue of "qualified tax-exempt obligations" where less than \$10 million of tax-exempt obligations are issued by the issuer during the calendar year in which the issue so designated is issued.

The District has designated the Bonds as "qualified tax-exempt obligations". Furthermore, the District has represented that it has or will take such action as is necessary for the Bonds to constitute "qualified tax-exempt obligations." Notwithstanding the designation of the Bonds as "qualified tax-exempt obligations," financial institutions acquiring the Bonds will be subject to a 20% disallowance of interest expense allocable to the Bonds. See "LEGAL MATTERS - Qualified Tax-Exempt Obligations" in the Preliminary Official Statement.

NO MATERIAL ADVERSE CHANGE: The obligations of the Underwriter to take up and pay for the Bonds, and of the District to deliver the Bonds, are subject to the condition that, up to the time of delivery of and receipt of payment for the Bonds, there shall have been no material adverse change in the financial condition of the District subsequent to the date of the sale from that set forth in the Preliminary Official Statement, as it may have been supplemented or amended through the date of the sale. As is stated in this Official Notice of Sale under the caption "MUNICIPAL BOND GUARANTY INSURANCE AND RATING," if the Underwriter elects to purchase municipal bond guaranty insurance on the Bonds, the rating of the insurer's creditworthiness by any rating agency does not and will not in any manner affect the District's financial condition, and thus any change to such rating, including a downgrade thereof, at any time, does not and will not constitute a change, material or otherwise, in the District's financial condition, and therefore cannot be a basis for termination by the Underwriter of its obligations to take up and pay for the Bonds.

CONTINUING DISCLOSURE AGREEMENT: The District will agree in the Bond Order to provide certain periodic information and notices of material events in accordance with SEC Rule 15c2-12, as described in the Preliminary Official Statement under "CONTINUING DISCLOSURE OF INFORMATION." The Underwriter's obligation to accept and pay for the Bonds is conditioned upon delivery to the Underwriter or its agent of a certified copy of the Bond Order containing the agreement described under such heading.

GENERAL CONSIDERATIONS

RISK FACTORS: The Bonds involve certain investment risks as set forth in the Preliminary Official Statement. Prospective bidders should carefully review the entire Preliminary Official Statement before making their investment decision. Particular attention should be given to the information set forth therein under the caption "RISK FACTORS."

SECURITIES REGISTRATION AND QUALIFICATION: No registration statement relating to the Bonds has been filed with the SEC under the Securities Act of 1933, as amended, in reliance upon exemptions provided thereunder. The Bonds have not been registered or qualified under the Securities Act of Texas in reliance upon various exemptions contained therein; nor have the Bonds been registered or qualified under the securities laws or regulations of any other jurisdiction. The District assumes no responsibility for registration or qualification of the Bonds under the securities laws or regulations of any other jurisdiction in which the Bonds may be offered, sold or otherwise transferred. This disclaimer

of responsibility for registration or qualification for sale or other disposition of the Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration or qualification provisions in such other jurisdictions.

By submission of a bid, the Underwriter represents that the sale of the Bonds in states other than Texas will be made only pursuant to exemptions from registration or qualification or, where necessary, the Underwriter will register or qualify the Bonds in accordance with the securities laws or regulations of any jurisdiction which so requires. The District agrees to cooperate, at the Underwriter's written request and expense, in registering or qualifying the Bonds, or in obtaining an exemption from registration or qualification, in any jurisdiction where such action is necessary.

5. Please choose the appropriate statement: () The Underwriter will not purchase bond insurance. () The Underwriter will purchase bond insurance from _____ (the "Insurer") for a fee/premium of \$_____ (the "Fee"). To the best of the undersigned's knowledge, information and belief, based upon the facts available at this time and current market conditions, the Fee is a reasonable amount payable solely for the transfer of credit risk for the payment of debt service on the Bonds and does not include any amount payable for a cost other than such guarantee, e.g., a credit rating or legal fees. The Underwriter represents that the present value of the Fee for each obligation constituting the Bonds to which such Fee is properly allocated and which are insured thereby is

less than the present value of the interest reasonably expected to be saved as a result of the insurance on each obligation constituting the Bonds. The Fee has been paid to a person who is not exempt from federal income taxation and who is not a user or related to the user of any proceeds of the Bonds. In determining present value for this purpose, the yield of the Bonds (determined with regard to the payment of the guarantee fee) has been used as the discount rate. No portion of the Fee is refundable upon redemption of any of the Bonds in an amount which would exceed the portion of such Fee that has not been earned.

6. The term “public” as used herein, means persons other than bondhouses, brokers, dealers, and similar persons or organizations acting in the capacity of underwriters or wholesalers (including the Underwriter or members of the selling group or persons that are related to or controlled by, or are acting on behalf of or as agents for the undersigned or members of the selling group).

7. The undersigned understands that the statements made herein will be relied upon by the District in complying with the conditions imposed by the Internal Revenue Code of 1986, as amended, on the exclusion of interest on the Bonds from the gross income of their owners for federal income tax purposes and in complying with the requirements of Section 1202.008 of Chapter 1202, Texas Government Code, as amended.
